Avtron CCTV Camera

Its not cheap china based manufacturer.
Its US based Company and Made In Korea.

Welcome to Realite Corporation

Realite Corporation was founded by Sahil Modi and Akshay Raval. They have been providing CCTV Camera service since 2009.

Realite Corporation is the prime distributor of Avtron products in Jamnagar District, Porbandar District and Dwarka District. Realite Corporation is providing satisfactory service to end customer as well. Realite Corporation is providing only quality products and user satisfaction is our motto.

24 Hours Support

Unlike other CCTV Camera service provider, Realite Corporation provides 24 hours phone and online support.

Never Standby + 2 Years Warranty

Realite Corporation provide "NEVER STANDBY" service to their end customer. This means during the 2 years warranty support, if any of the product break downs (which rarely happens), we will provide the immediate (within 48 hours) alternate to that product and as soon as your old product got repaired, will replace that. So you will experience uninterrupted service.

Live Demo

Realite Corporation provides live demo of its each and every product in office and in customer premises as well with free of cost.

100% Transparency

At Realite Corporation, we believe in pure transparency so we are the only CCTV camera service provider who displays the price of each and every product on website and in broacher as well.
